

Utente

```
graph LR; U[Utente] --- UC((UC 28 - Annullamento richiesta)); UC --- LLM[LLM];
```

UC 28 - Annullamento richiesta

A UML Use Case diagram. A large rectangle represents the system boundary. Inside, a light blue oval is labeled "UC 28 - Annullamento richiesta". Two stick figures, labeled "Utente" and "LLM", are connected to the oval by horizontal lines. The "Utente" figure is on the left, and the "LLM" figure is on the right.
